

RASHID ZAHOR

Computer Science Teacher | Visiting Lecturer

rashidzahoor60@gmail.com | 0329 9862860 | Jubilee Town, Lahore, Pakistan

PROFILE

Computer Science Teacher with 2+ years of experience teaching at Matric, Intermediate, and Graduation level in Lahore. Experienced in delivering a wide range of CS subjects to students from Grade 9 through university level. BS Computer Science graduate (CGPA 3.30) with hands-on full-stack development experience, including a complete LMS built with React.js, Node.js, and MongoDB. Committed to building strong technical foundations through practical, project-based teaching.

EXPERIENCE

Visiting Lecturer — KITAAS College, Thokar Niaz Baig, Lahore • Aug 2025 – Present

- Teach graduation-level (BS) students a range of Computer Science subjects including Programming Fundamentals, Data Structures, Algorithms, OOP, and Computer Applications
- Deliver practical lab sessions in Python, C++, HTML, CSS, JavaScript, and React.js to university-level students
- Design semester exams, assignments, and provide personalized academic feedback to improve student outcomes

Computer Science Teacher (Part-time) — Tulip United School & Academy, Maraka, Lahore • 2023 – 2026

- Taught Computer Science to Grade 9 to Grade 12 (Matric and Intermediate level) covering Punjab Board curriculum
- Delivered subjects including programming fundamentals, MS Office, database basics, and internet concepts
- Mentored 100+ students on coding practicals, assignments, and board exam preparation across four grade levels

EDUCATION

BS Computer Science — Gov. College University Faisalabad | 2022 – 2026

CGPA: 3.30 / 4.00 | Final Year Project: Centralized Learning Management System (CLMS)

FSc Pre-Medical — MTB School & College, Sadiqabad | 2020 – 2022

CERTIFICATIONS

- Python Programming — Coursera / Google
- Web Development (HTML, CSS, JavaScript) — Coursera / Google

SKILLS

Programming Languages: Python · C++ · Java

Web Technologies: HTML · CSS · JavaScript · Tailwind CSS · React.js · Node.js · MongoDB

CS Concepts: OOP · Data Structures · Algorithms · Computer Applications

Teaching Levels: Matric (Grade 9–10) · Intermediate / FSc (Grade 11–12) · Graduation (BS Level)

Teaching Tools: MS Office · Google Classroom · Zoom · LMS Platforms

Soft Skills: Lesson Planning · Classroom Management · Student Mentoring · Board Exam Preparation

ACHIEVEMENTS

- Built a full-stack Centralized Learning Management System (CLMS) using React.js, Node.js, and MongoDB — a complete platform for managing college courses, students, and assessments
- Successfully taught Computer Science from Grade 9 to graduation level, covering both Punjab Board and university-level CS curricula for 200+ students
- Improved student academic results through structured practicals, coding exercises, and targeted exam preparation sessions
